

needs a lot of energy to enter and to repair in order to improve her health. My hands are merely acting like a bridge to connect the universal energy to the body, it looks as though I help to reduce the pain, but the real beneficiary is heart, soul, whole body and I.

Prior to the advance course, practice experience required, I have applied adjustments to my mother two times, her high blood pressure dropped from 180 to 120, amazing. Because of applying adjustments for people and to myself wherever and whenever I feel unwell myself, thus leading to improvement of all functioning organs, and I firmly believe, not to be influenced by pain and illness, weeks passed, and I felt my

chronic conditions improved a lot.

Symptoms and adjustments : High blood pressure, C7 + C4
Sore throat C7 + C5
Headache C7 + C5.
