A 5cm tumour disappeared.

Learner: Mr. So

Address: Taipei County, Linhau

Tel: +886-2-26013183

The learner Mr. So before he encountered Longevitology, his vision was blurred, poor hearing, and had a tumour measuring 5cm in his chest. Since June 2008 joined Longevitology, his vision and hearing improved, and the tumour disappeared

After the chakras opened, the learner's body feels hot, energy increased, when applying adjustments to other people, had the same feelings.

Since the learner joined the Longevitology for these few months, every part of his body feels good and comfortable.

Symptoms and adjustments: Tumour - C7 + affected areas.
