

After learning Longevity, usually after work the tired body condition changed, energy also getting better. Longevity is wonderful, universal energy is miraculous! So grateful to the Longevity teachers, the entire volunteer's teaching. Looking forward to the mid October advance course to begin, hoping to learn and gain more experience and knowledge. Apart from helping my mother who is not in good health, we apply adjustments to each other, to be able to help a lot more people, that is my sincere wish.

Symptoms and adjustments: Sciatic nerve pain, C7 + affected area.
Painful arm – C7 + affected area.
