

runny nose, cough etc allergic conditions all effective. Especially for stopping bleeding is more amazing, my grand daughter having dental care, needs to remove some teeth, I apply adjustments for her, it's able to stop bleeding and alleviate pain, reduce suffering for her, daughter-in-law also felt this is unbelievable!

This time especially made the trip to Taipei, hoping I am able to join the advance course, gain more experience, so I could heal my grand daughter's asthma, and help a lot people those who needs help. Living to this age, and able to learn this good to self and good to anyone, save self and save peoples' good deed. So thankful to the originator of Longevityology, all teachers, all the volunteers. The universal energy is plentiful and is there all the time, it is because of human's ignorance and stubbornness not aware of it, I would with my compassionate heart, to make use of it wisely.
